## Play at the Makani Center

## Makani Center

- Makani centers offer multi-disciplinary interventions, inclusive of psychosocial support, learning support services, and life skills training, to vulnerable children in Jordanian host communities, including Syrian and other refugee children.

## Education at the Makani Center

- Children receive lessons in four key subjects: Arabic, Mathematics, English, and Science.
- Learning support services include basic literacy and numeracy educational activities, not specifically bound to certain age or target group.
- Children have access to trained facilitators.
